Dear Mr Gamer

I refer to the Paringa Archers Launceston Inc's application under the 2017-18 Major Grants Program for funding of \$77,883 to construct an indoor range and purchase equipment.

Each application was assessed on its potential to improve and/or increase participation opportunities and competed with other applications for funding.

The outcome of the program has now been finalised and, unfortunately, the Paringa Archers Launceston Inc's application has been unsuccessful.

To assist your organization to access future funding opportunities Communities, Sport and Recreation (CSR) administers a grants alert service. Please email csrgrants@dpac.tas.gov.au if you would like to subscribe to this service

CSR is committed to being accountable to the community and is continually striving to improve work standards and performance. It would be appreciated if you could please complete the enclosed survey about the administration of the Program and return it by email to csrgrants@dpac.tas.gov.au.

Should you wish to discuss this matter further, please do not hesitate to contact Mr David Clarke, Team Leader, Sport and Recreation Infrastructure by email at david.clarke@dpac.tas.gov.au or by telephone on (03) 6165 5082.

Yours sincerely
