Subject: CBOS to Jeff - Affordable Skips - Ref: CE/24/563

Dear Jeff,

Thank you for taking the time to report Affordable Skips' business practices to Consumer, Building and Occupational Services (CBOS).

I understand that the Paringa Archers Launceston Club hired a skip bin, of which they were charged twice. It appears the business advised they would only supply a refund once the bin was picked up, over two weeks later.

Under the *Australian Consumer Law* (ACL), a business must not accept payment for goods or services and at the time of acceptance, intend not to supply the goods or services.

Whilst we are unable to take compliance actions against the trader as a refund has since been provided, CBOS reviews complaints on a case-by-case basis and should further complaints of this nature be received in the future, CBOS will take any actions deemed necessary.

I appreciate you taking the time to report this matter to our office.

Kind Regards,

Emily Foster | Compliance Officer
