Presidents Notes

There was a Working Bee Sunday 7th May, to clean up the Field course and do some other odd jobs around the grounds. Thanks to Stephen, Lyn, Trudy, Richard, Tony, Heather, Geoff, John, Emma, Arthur, and Tabitha for all the hard work filling the skip bin to the brim.

We have also been getting good numbers to the Come N Trys and club/fun shoots, but I expect that will drop off over winter.

It has also been good to see members making the most of the facilities during the week and out of work hours. Don't forget that we have the Indoors, Range and Field course and if one is being used for an event the others are still available for members.

With April being Global Volunteer Month, I would like to take the opportunity to thank all those that give their time, so that they, other members, and visitors may enjoy Paringa's facilities. Without the past and present volunteers, the club would not be what it is today.

Perfect ends, Jeff Garner

Mini Clout

Hello all,

The mini clout had some amazing scores come from the archers that attending.

Many of them shooting PB's and achieving new awards for their efforts.

As I was away on holidays and missed the event I will be presenting these medals on the next mini clout in May.

It was a shame not to be there and to miss the excellent shooting that was shown on the day.

Scores can be found on Archers Diary.

We both thank everyone for their ongoing support for our fun shoot collaborations and look forward to many more fun and challenging shoots in the future.

Regards,

Roger and Dean

Decathlon

Hello all,

We had a brilliant turnout to our inaugural Decathlon shoot this month.

Dad and I have spent more than twelve months planning this event, discussing target concepts and building our ideas.

We wanted to bring something different to the club. Another opportunity for archers to connect with each other and experience more than just target archery, we believe we have done just that.

We thank you all for your support on the day for the event.

We especially thank those that gave feedback and their time to help us bring the idea to life for all to enjoy.

We have reviewed the event and have taken on board your comments.

We will be making some small changes to ensure we can make the event a challenge but also allow the archers the best shooting experience we can offer.

We had 15 shooters turn out for the event and some even travelled from Burnie to be with us.

We will be doing a medallion presentation for 1st, 2nd and 3rd for this event in the future.

For this inaugural event the club made a donation of 3 trophies out of storage which we had engraved.

Our scores on the day are as follows.

Stephen Rouse 124- one round shot.

Bella Malcolm 141

Heather Delphin 200

Lyn Rouse 210

Tony Delphin 216

Andrew Campbell (B) 263

Andrew Harris (B) 265

Jonas Wockenfuß 268

Richard Barnes 272

Denise Frost 273

Roger Emery 277

Marion Robertson (B) 280

3rd place - Peter Starr (B) 330

2nd place - John Dodos 371

1st place - Dean Emery 390

Thank you all again for your ongoing support of the fun shoots.

Please ensure you re read the fun shoot rules found on the

Paringa webpage.

Regards,

Dean and Roger.

A Reminder for COVID-19

Hi, everyone, just a reminder that we are still observing Covid-19 Return to Sport Arrangements.

Our Covid-19 plan is available on the website for download should you wish to read the whole document.

These are the simplified actions we need to take.

- Follow minimum contact procedures wherever possible.
- Sanitize all shared equipment.
- Practice personal hygiene (e.g wash hands prior to and after handling equipment).
- Wipe down and clean toilet and clubhouse facilities if you use them.
- Observe physical distancing wherever possible.

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and make the arrangements.
