Presidents Notes

Thanks to assistance from Tony and Richard the

- path fence down to the indoor shed,
- bird wire on the club house and
- covering the rusted container roof

have been completed. After the last successful working bee, we will focus on the Indoor/Range target butts next.

There is always plenty to do to maintain the facilities and equipment, so please tell a committee member if you see something that needs attention, and it will be added to the list.

Well done to the nine members who took part in the Paringa Northern Indoors. It is always a challenge to work on achieving/improving your personal best (PB) in a competitive environment. The next tournament at Paringa will be the National/State Indoors on the 8th-9th July.

Perfect ends, Jeff Garner - President

May longbow shoot

The longbow shoot this month was shot in high spirits. A particular archer thrived this month without his usual banter companion. Well done to John who capitalised on the fact I didn't shoot as I was shooting the northern indoors. It's great fun the longbow shoot, its banter, its friendship and it gives us a chance to not take ourselves so seriously but always enjoy standing on the shooting line next to friends.

The scores on the day were as follows.

Longbow shooters.

Richard 444

Peter 438

John 425

Roger 417

Tony 361

Barebow other

Steven 445

Lyn 380

Ray 325

Well done Richard for taking out top honours in the longbow division.

Nice shooting.

Well done to Ray, taking on the challenge of a 30, 25, 20 round with his newly acquired horse bow.

Watch this guy, as soon as he tames that bow, he will be a force to be reckoned with.

On behalf of Brian Swinton,

I say thank you for your ongoing support of the longbow shoot and I hope to see many more archers challenge themselves and enjoy themselves in this relaxed format of target shooting.

Regards,

Dean.

Mini Clout

Hello fellow archers,

I just want to begin this month's update by saying that this event each month wouldn't be as successful as it is without the support and effort on the day of our participating club members.

It is an all or nothing effort to setup and reset the range after this club shoot.

Dad and I just wanted to let you know that your efforts don't go unnoticed.

We encourage any member of the club to come and experience this event.

Bring your bow and club arrows are supplied.

Registration should be done prior to the event but can be done on the day if needed.

The scores for this event are available on archer's diary.

I would, more importantly like to openly express my gratitude to both Karen and Denise for the selfless donation made by each of them to support both the longbow and mini clout shoots.

The achievement badges we have implemented are self-funded and their donation has helped bring a sense of community to our club shoots.

We can't wait to see you at the next mini clout shoot.

Regards,
Roger and Dean Emery

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and make the arrangements.

Mini-Field

Hey everyone,

It was an exciting experience to complete in a mini-field event. We split up into small groups and started at different targets. It was a great day of banter and seeing firsthand at how a field event would be run.

Thanks, to our group leaders on the day to teach us the basics of field archery.
